New period-style headlights for early cars

Headlights can look too “modern”

On early cars, some headlights simply look out of character, and are clearly of a later period. These new headlights are designed to look just like excellent examples of early units, They have been designed to work with either halogen or LED headlamp bulbs.

The domed-front lens uses modern technology combined with period patterning to give excellent focus and beam patterns while looking like they were made 50 years ago.

Three choices

To enable you to select the right level of performance vs cost, we can offer you three levels :-

Level One

Pair of period style headlights in presentation box with standard halogen bulbs £99.99+VAT

Level Two

Pair of headlights in presentation box with high power Classic Car LED headlight bulbs in period ivory white £199.99+VAT

Level Three

As above but with in-built LED automatic daytime running lights, to combine style with enhanced safety £299.99+VAT.

Hailing from Tolpuddle in Dorset, Win's racing career associated him with the XJ220. I first met Win in June 2012, when he agreed to become a patron of Xclusively Jaguar.

Win is an accomplished Jaguar racing driver, successful businessman, team manager, and winning driver of many cars in all forms of motorsport.

The farming community has provided us with a number of successful racers, but as far as I am aware, these have all been the sons of wealthy farmers, not the sons of farm labourers in tied cottages, and this real-life story about a farm labourers son who became a world class racing driver portrays the humdrum of everyday life, punctuated by tragedies, setbacks and triumphs along the way.

Tracing Win's racing history through his involvement with various teams and manufacturers, it also became obvious as to why Win's book has two sleeve options, his connections with Holden being as strong as those with Jaguar.

Some of Win's accomplished, high profile friends have contributed to this book, including Martin Brundle, Murray Walker and Lord March of Goodwood.

As everyone who meets him will confirm, Win is a gentleman and a truly delightful person, as reflected in the title of his biography
The remarkable life of the unassuming racer

Written by Spike Anderson of "Samuri" fame, who has known Win for many years, this A4 300 page quality hardback book features over 300 images, 281 in colour and 46 period photographs in monochrome.
