Hailing from Tolpuddle in Dorset, Win's racing career associated him with the XJ220. I first met Win in June 2012, when he agreed to become a patron of Xclusively Jaguar.

Win is an accomplished Jaguar racing driver, successful businessman, team manager, and winning driver of many cars in all forms of motorsport.

The farming community has provided us with a number of successful racers, but as far as I am aware, these have all been the sons of wealthy farmers, not the sons of farm labourers in tied cottages, and this real-life story about a farm labourers son who became a world class racing driver portrays the humdrum of everyday life, punctuated by tragedies, setbacks and triumphs along the way.

Tracing Win's racing history through his involvement with various teams and manufacturers, it also became obvious as to why Win's book has two sleeve options, his connections with Holden being as strong as those with Jaguar.

Some of Win's accomplished, high profile friends have contributed to this book, including Martin Brundle, Murray Walker and Lord March of Goodwood.

As everyone who meets him will confirm, Win is a gentleman and a truly delightful person, as reflected in the title of his biography
The remarkable life of the unassuming racer

Written by Spike Anderson of "Samuri" fame, who has known Win for many years, this A4 300 page quality hardback book features over 300 images, 281 in colour and 46 period photographs in monochrome.
